Amphenol-Tuchel Electronics GmbH

**AK2 Retainer**

C 252 14B002 X0X 2

## PRODUCT CHARACTERISTICS

### Features

- AK2 retainer with integrated shorting (fits into  $\varnothing$  11mm ignitors)
- Shorting clip selective gold plated at contact points
- Extension ears to prevent rotation in ignitor
- 3 mechanical codings available

## DESIGN CHARACTERISTICS

Housing material	PBT
Contact material	Stainless steel

## PERFORMANCE CHARACTERISTICS

Temperature range	-40°C to +90°C
-------------------	----------------

## GENERATOR INTERFACE

Interface	Type K, L
-----------	-----------

## CONNECTOR INTERFACE

Product name	Coding	Color	Part number
AK2 Retainer	I	black	C252 14B002 101 2
	II	green	C252 14B002 205 2
	III	yellow	C252 14B002 306 2

## DIMENSIONS
