

Amphenol Automotive

Amphenol-Tuchel Electronics GmbH

8mm 180° BATSOK®

C390 1P03 XH10 200X

PRODUCT CHARACTERISTICS

Mating design	- CPA
Terminal system	- 1 x Ø 8.0mm RADSOK® terminal system - Silver plated
Termination technology	- Cable connector resistance welding - Interface to busbar at the customers choice
General features	- Two codings available - Space-saving design

CONSTRUCTION

Housing material	PA6-GF30
Contact material	Copper alloy (silver plated)
Standard wire	50mm ²

PERFORMANCE CHARACTERISTICS

Nominal current	250A @80°C environmental temperature
Operating nominal voltage	850V / peak 1000V
Ambiente temperature range	-40°C to +80°C
Protection code ISO 20653	IP XXB
Flammability UL94	V0

DIMENSIONAL CHARACTERISTICS

Length (mated)	93 mm	Height (max)	43 mm
